Re: *Fireman's Fund v. Fire Systems et al.*

Dear Counsel:

At the August 16, 2006, deposition of Thomas Klem, it was discovered that a piece of piping was removed from the loss location and was made available for inspection to Mr. Klem at some point prior to the institution of suit. We have located the piece of piping that was referenced in the deposition and it is available for inspection and testing immediately. The piping is located at the offices of:

Hodan Properties
205 Main Street
New London, New Hampshire 03257

We are more than willing to make other arrangements with regard to availability, including having the piping shipped to the lab of your choice. Please let me know what arrangements you would like.

Please let me know if there is anything else I can provide at this time.

Sincerely,

Erik Loftus
